

Garbage Collection Policy Amendment

Leaves

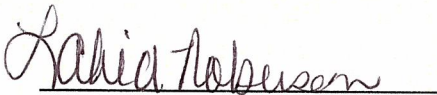

Bagged leaves are only picked up during the Fall of the Year. Public Works will pick-up and dispose of leaves in calendar months November, December, January, and February. It is the citizens responsibility to dispose of leaves anytime outside of the these time frames at the landfill. Citizens are encouraged to refrain from using the normal waste disposal services to prevent increased service fees. Citizens can also use leaves as mulch or for natural areas.

Adopt this 17 day of August, 2020

Bobbie Jones, Mayor

Attest:

Lokia Roberson, Town Clerk
